

Faculty Awards

The Office of Faculty Affairs is pleased to invite nominations for the Dean's Office Faculty Awards, the College Teaching Awards and Research Excellence Awards for 2017. These awards recognize faculty members who provide outstanding teaching, research, mentoring of faculty, and support of women faculty members. These School of Medicine Awards will be presented at the School of Medicine Faculty Awards Ceremony in the Fall of 2017.

DUE FRIDAY, APRIL 14, 2017:

The **College of Teaching Awards** are presented to faculty based on the evaluation of instructional expertise as evaluated by students in the SOM undergraduate medical education program, residents in the graduate medical education programs and graduate students, as well as the annual department chair's evaluation and other factors.

The **Research Excellence Awards** are presented annually and evenly distributed among Assistant, Associate, and full Professors from the Basic Science and Clinical Departments based on the criteria defined for each academic rank by the SOM Factors.

DUE MONDAY, MAY 15, 2017:

The **Kamran S. Moghissi, M.D. Endowed Faculty Award for Excellence in Basic Science Teaching** will be given to a faculty member who, through long and meritorious teaching of basic sciences, has left a mark of excellence and provided students with a critical understanding of the faculty member's discipline. The purpose of this award is to recognize faculty achievement, to encourage continued progress, and to provide assistance to faculty who demonstrate significant contributions to the teaching of Basic Science courses during the first two years in the School of Medicine.

The **Faculty Award for Excellence in Clinical Teaching** will be given to a faculty member who, through long and meritorious teaching of clinical or behavioral sciences, has left a mark of excellence and provided students with a critical understanding of the faculty member's discipline.

The **Outstanding Research Achievement Award** will be given to a faculty member in a Basic Science or a Clinical Department who has made significant and career-long contributions to the advancement of an area of biomedical, behavioral, clinical, or medical research.

The **Outstanding Faculty Mentor Award** will be given to a faculty member who has served as an outstanding mentor to other faculty at Wayne State University School of Medicine and demonstrates a gift and passion for mentoring other faculty.

The **Women in Medicine and Science (WIMS) Leadership Award** will be given to an individual who has supported and/or brought recognition to women faculty members or activities for women faculty.

Detailed descriptions of all 7 awards along with nomination and eligibility information may be found at: http://facaffairs.med.wayne.edu/faculty_awards.php

The materials are to be submitted as a bookmarked PDF for each faculty member to Charlene Brain in the Office of Faculty Affairs at cbrain@wayne.edu. No hard copies will be accepted.

The School of Medicine Awards will be presented at the School of Medicine Faculty Awards Ceremony in the Fall of 2017 (date to be announced).
