To play virtual Bingo click <https://bingobaker.com/play/cbf2034bb0a7e3e1>. Select the URL underneath PLAY ONLINE. Click on GENERATE CARD. Begin to play bingo. The best way to play virtually is with another mobile device. If you don't have another device, you will have to toggle back and forth between the movie and game. Another alternative is to split the screen to watch the film and play the game at the same time. When you have BINGO, take a picture or screen shot of your card and upload it in the LIVE STREAM chat with your access ID. There is a small prize for the first confirmed winner. Enjoy.
